What are the services your business / organization offers?

BeWell Home Services provides in-home services with the personal attention and kindness you deserve. Our specially selected staff can do your laundry, clean your house, work in your yard, run errands, go shopping with you, accompany you to appointments, assist with personal hygiene, prepare your meals, provide friendly companionship and the list goes on. BeWell Home Services is a faith based non-profit non-medical home services provider. We have no minimum hourly service requirement and have no required service contracts. We provide the service you need for the length of time that you need them- whether that is one hour or 24 hours a day.

How does your business/organization help individuals age in place successfully?

By providing our services to individuals in the community, we assist our clients in remaining in their place of residence as long as possible. BeWell provides a resource coordinator to our clients assisting them with every aspect of personal management in order for them to remain in their homes and if BeWell can't provide a needed service we coordinate referrals to resources needed by our clients.
